

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

much of plain fact, and is so temperate in her statement of the accomplishments of missions, that her volume deserves to be read by those who are disposed to belittle missionaries and their work.

A. P. BRIGHAM.

## OTHER BOOKS RECEIVED

*These notes do not preclude more extended reference later*

### NORTH AMERICA

PETROLEUM IN SOUTHERN CALIFORNIA, 1913. Compiled by Paul W. Prutzman. vii and 430 pp. Maps, ills., index. Bull. 63, California State Mining Bur., Sacramento, 1913. 9x6. [Describes most wells between San Luis Obispo and the Mexican boundary. With analyses and statistics of production.]

### SOUTH AMERICA

MISSION DU SERVICE GÉOGRAPHIQUE DE L'ARMÉE POUR LA MESURE D'UN ARC DE MÉRIDIEEN ÉQUATORIAL en Amérique du Sud sous le contrôle scientifique de l'Académie des Sciences 1899-1906. Tome 6, 1er Fasc.: Ethnographie Ancienne de l'Équateur. xii and 346 pp. Map, ills. Gauthier-Villars, Paris, 1912. 11½x9. [Deductions based on the important pre-Columbian ethnographical collection as well as on interandine products of industry and art found in other collections. Early migrations geographically explained. Investigators agree that early Peru owes much to Ecuador for her civilization. Proofs of intercourse between Indians of the region and tribes of the Amazon and Central and North America.]

### AFRICA

ITALY'S WAR FOR A DESERT. Being some experiences of a war-correspondent with the Italians in Tripoli. By Francis McCullagh. xxxvi and 409 pp. Ills., index. F. G. Browne & Co., Chicago, 1913. Herbert & Daniel, London. 10s. 6d. 9x6. [Largely given to harrowing details of massacres of Arabs by Italian soldiers. A note by the publishers says they "are not necessarily committed to the views on the war expressed by the author."]

ONZE KOLONIE. Practische Studie over Belgisch Congoland. Von E. Paque. 204 pp. Map, ills. Karel Bulens, Brussels, 1911. 9x6. [Describes the resources.]
